

# Financial Aid Consortium Application - Undergraduate Summer

This form is for USC undergraduate students wishing to take a class or classes at another “Host School” during the summer semester.

Please complete this form and return it to the USC Financial Aid Office, along with all requested documentation, four (4) to six (6) weeks before the start of the semester at the Host School. Aid cannot be disbursed until the consortium agreement is completed by the Host School, and cannot be disbursed retroactively after the summer term has ended.

**Payment may be due to the Host School before any USC financial aid you may be eligible for can be disbursed. You are advised to make arrangements with the Host School for payment (or deferment) of your tuition bill. You are ultimately responsible for payment of all charges at the Host School.**

To qualify for most types of summer financial aid (Federal Direct Subsidized and Unsubsidized Loans, Parent PLUS Loans), you must be enrolled at least half-time (6 total units). USC units may be included in this total if you are enrolling in coursework at both the Host School and USC concurrently.

Pell Grant recipients with remaining Pell Grant Lifetime Eligibility may be eligible for limited summer funds, even if enrolled in fewer than 6 total units. Pell Grant eligibility may depend on your financial need for the upcoming award year.
