SECTION 2: DOCUMENTATION
Please complete all of the following four steps:

1. Contact the financial aid office of your Host School at least four (4) to (6) weeks before the first day of classes to confirm their participation in consortium agreements. If the Host School declines to participate, this decision cannot be overturned, and we will not be able to process financial aid under a consortium agreement. We recommend not proceeding with the application process.

2. Of the following three options, check the one which describes your class and enrollment, and provide the applicable documentation:

☐ I am an undergraduate student enrolling in summer coursework.

I will submit a Request for Pre-approval to Transfer Coursework to USC through OASIS [Visit https://arr.usc.edu/services/articulation/summer_courses.html for detailed information about the pre-approval process. Contact the Registrar One Stop Center at (213) 740-8500 with any questions.]

☐ I am an undergraduate student enrolling in a fall or spring semester.

I have extenuating circumstances that require me to complete transfer coursework at another school in a fall or spring term. I have contacted my academic advisor or department for approval and have obtained documentation that coursework taken at the Host School is transferable to my USC degree or certificate.

(Please include this documentation when you return this form.)

☐ I am a graduate student.

I have obtained from my academic advisor documentation that coursework taken at the Host School is transferable to my USC degree or certificate.
