Student: Federal regulations require us to provide you with any Pell Grant funding that you are eligible for *unless you specifically decline your summer Pell Grant in writing.*

You can use this form to make **one** of the following requests:

1. To notify the Financial Aid Office in advance that you are planning to take summer classes and **would like to use any summer Pell Grant funding that you are eligible for.**

Note: Pell Grant funding will be made available when you enroll in classes. This form allows you to notify us *before you register* so that you can have your summer Pell Grant included in your financial aid summary.

2. To notify the Financial Aid Office that you are taking summer classes, but that **you do not wish to use your Pell Grant eligibility.** (Your eligibility will be saved for a future semester.)

Please check one of the following:
